

Press Release

December 3, 2018

iLevel Management Inc. is excited to announce we have an industry veteran joining our team as the new SW Ontario Account Manager. Russell Wilson will join our team as of December 3, 2018.

With 20 years combined sales and marketing experience in retail, distributor, broker and vendor roles, Russell has developed broad knowledge and understanding of the Natural Products Industry. He has serviced the broker segment primarily with over 10 years' experience representing two well established brokerages and 5 years managing his own independent agency. His focus on building and executing results-based strategies for vendors, motivates him to attain specific goals in company growth. He has a strong passion for relationship building and personal development which is reflected in his years of training and implementation in both personal life and professionally in business.

Please join us in welcoming Russell to our team. Russell will assume responsibility for accounts West of Hwy 427. Gloria David remains responsible for accounts East of Hwy 427. If you have any questions, please let us know.
